Hi Debi –

I want to thank you for your commitment and hard-work towards MDM (Landis) platform support.

I know you have been putting in a lot of extra efforts, above and beyond the call of duty, and this has truly helped to ensure that we meet our benchmarks in a timely fashion. I'm so happy to see your hard work resulting in such success ever since you joined us in Sep 2017.

You are doing a great job contributing your talents and skills to the team. Your current assignment as Systems Analyst for Business Intelligence Data Mart (BIDM) and Master Data Management (MDM) has added a lot of IT accomplishments to our portfolio.

I'm looking forward to similar determination as you continue to provide your services to the bank.  
Thanks again!!!

Thanks and Regards
